REPLY TO THE ATTENTION OF:

SE-5J

**CERTIFIED MAIL**  
**RETURN RECEIPT REQUESTED**

RE: IWI Inc. Site, Summit, Illinois  
Demand Letter

Dear Sir:

The United States Environmental Protection Agency ("U.S. EPA") has conducted response actions to address contamination at the IWI Inc. Site, in Summit, Illinois ("IWI Site"). U.S. EPA took these actions under authority of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 ("CERCLA"), 42 U.S.C. §9601 *et seq.*, as amended by the Superfund Amendments and Reauthorization Act of 1986 ("SARA"), Pub. L. 99-499 100 Stat. 1613 (1986). Prior to undertaking these response actions, U.S. EPA determined that there was a release or threatened release of hazardous substances from the IWI Site. The U.S. EPA undertook the response actions using monies authorized by CERCLA, as amended.

During the response, U.S. EPA undertook several actions at the Site. They included the following:

1. Developed and implemented a Site Health and Safety and Security Plan;
2. Sampled and characterized all the waste containers and contaminated soils;
3. Secured, packaged, and disposed of the containerized waste;
4. Took any response actions necessary to address any release or threatened release of hazardous substance, pollutants, or contaminant that U.S. EPA determined may have posed an imminent and substantial endangerment to public health or the environment, including potential

impact on surface water or ground water; and,

5. Conducted post-removal sampling and analysis to verify completion of the removal action.

Response costs associated with this Site have been incurred by U.S. EPA. The approximate U.S. EPA response costs identified up to May 31, 2006 for the above referenced Site are \$2,620,366. A summary is enclosed with this letter.

Information available to U.S. EPA indicates among other things that you are potentially responsible for the release, or threat of release of hazardous substances from the Site. Pursuant to the provisions of Section 107(a) of CERCLA, and based on evidence currently available to the Agency, U.S. EPA believes that you may be liable for the payment of all costs incurred by U.S. EPA in connection with the Site. The potentially responsible parties ("PRPs") are jointly and severally liable for the whole amount. Partial payments will not release the payor of liability for payment of the rest of the costs that are owed to U.S. EPA. Limiting language on the check or in accompanying letters will be considered to be advisory only and will not be considered as placing conditions on the amount paid or as limiting liability on other costs demanded in this letter.

Such payment must be made by a cashier's or certified check made payable to the "U.S. EPA Hazardous Substance Superfund", which is established by the Internal Revenue Code, 26 U.S.C. §9507, and administered by U.S. EPA. Please send your check to U.S. EPA - Region 5, P.O. Box 371531, Pittsburgh, Pennsylvania 15251-7531. Place the following Site Identification Number on the check: B53J. Please send a copy of your payment check to William Messenger, Chief, Emergency Enforcement Services Section, U.S. EPA, Region 5, Superfund Division (SE-5J), 77 W. Jackson Blvd., Chicago, Illinois 60604, and to Mr. Jerome Kujawa, U.S. EPA (C-14J), Office of Regional Counsel, U.S. EPA, Region 5 (C-14J), 77 W. Jackson Blvd., Chicago, Illinois 60604.

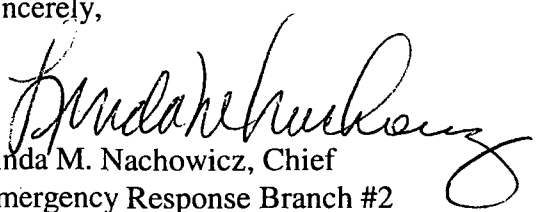

We hereby demand that you make restitution by payment of the \$2,620,366 amount expended by the U.S. EPA in connection with the Site pursuant to authority of CERCLA, as amended. Pursuant to Section 107(a) of CERCLA, as amended, interest shall begin accruing as of the date of this demand, if payment is not received within thirty (30) days of the date of this letter.

If you desire to discuss your liability with U.S. EPA, please contact Mr. Jerome Kujawa, Assistant Regional Counsel, in writing no later than thirty (30) days after the date of this letter. Mr. Kujawa may also be reached by phone at (312) 886-6731 or e-mail at "kujawa.jerome@epa.gov." If we do not receive a response from you within this time frame, U.S. EPA will assume that you have declined to reimburse the Fund for the Site expenditures, and pursuant to CERCLA, U.S. EPA may pursue civil litigation against you to recover all of its costs, with interest.

The names of other PRPs receiving this request for payment are enclosed with this letter to facilitate organization among the identified parties concerning payment. U.S. EPA considers all

PRPs to this Site jointly and severally liable for the \$2,620,366 amount demanded in this letter until all costs are reimbursed or an appropriate settlement is achieved pursuant to Section 122(h) of CERCLA.

Sincerely,

  
Linda M. Nachowicz, Chief  
Emergency Response Branch #2

IWI INC., SITE REMOVAL, SUMMIT, ILLINOIS

TOLLING AGREEMENT

This Tolling Agreement ("Agreement") is entered into effective this of August 20, 2007, between the United States Environmental Protection Agency ("U.S. EPA"), and IWI Site Potentially Responsible Parties ("IWI PRPs")--see Attachment 1. IWI PRPs may be potentially responsible parties at the IWI Inc., Site in Summit, Illinois.

U.S. EPA and IWI PRPs, in consideration of the mutual covenants set out in this Agreement, agree as follows:

1. U.S. EPA contends that it has a cause of action against certain parties, including IWI PRPs under Section 107(a) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. Section 9607(a) ("CERCLA"), for the costs incurred by the United States in connection with the IWI, Inc., Site.

2. U.S. EPA and IWI PRPs enter into this Agreement in order to pursue a good faith effort to settle, without costly and protracted litigation, the legal claim alleged in Paragraph 1 of this Agreement.

3. This Agreement does not constitute in any way an admission of fact or liability by the IWI PRPs.

4. This Agreement does not constitute an admission or acknowledgment on the part of U.S. EPA that any statute of limitations applies to its legal claim, under either the above-cited statute or any other applicable statute or law.

5. U.S. EPA and IWI PRPs agree that the time between August 22, 2006, and January 23, 2008, ("tolling period"), inclusive, will not be included in computing the time limited by any statute of limitations that may apply to the cause of action set forth in paragraph 1, if any statute of limitations is applicable. Nor will this tolling period be considered in any defense of laches or similar defense concerning the timeliness of commencing a civil action. IWI PRPs shall not assert, plead, or raise against the United States in any fashion, whether by answer, motion, or otherwise, any defense based on the running of any statute of limitations during the tolling period. Any applicable statute of limitations shall be tolled and suspended by agreement during and for the tolling period.

6. U.S. EPA agrees not to institute the cause of action set forth in Paragraph 1 against IWI PRPs before December 3, 2007. However, if any person files an action against the United States for either declaratory or monetary relief, with regard to

the IWI, Inc. Site, in Summit, Illinois, and the United States must either file this cause of action or lose it, the United States shall have the right to bring this claim against IWI PRPs prior to January 23, 2008.

7. This instrument contains the entire agreement between U.S. EPA and IWI PRPs and no statements, promises, or inducements made by any party or its agent that are not contained in this written contract shall be valid or binding. This contract may not be enlarged, modified, or altered except in writing signed by U.S. EPA and IWI PRPs and endorsed on this Agreement. This Agreement is intended to allow signatories to execute the Agreement on separate signature pages.

Title: CHIEF COUNSEL ENVIRONMENTAL

IWI INC., SITE REMOVAL, SUMMIT, ILLINOIS

TOLLING AGREEMENT

This Tolling Agreement ("Agreement") is entered into effective this of August 20 2007, between the United States Environmental Protection Agency ("U.S. EPA"), and IWI Site Potentially Responsible Parties ("IWI PRPs")--see Attachment 1. IWI PRPs may be potentially responsible parties at the IWI Inc., Site in Summit, Illinois.

U.S. EPA and IWI PRPs, in consideration of the mutual covenants set out in this Agreement, agree as follows:

1. U.S. EPA contends that it has a cause of action against certain parties, including IWI PRPs under Section 107(a) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. Section 9607(a) ("CERCLA"), for the costs incurred by the United States in connection with the IWI, Inc., Site.

2. U.S. EPA and IWI PRPs enter into this Agreement in order to pursue a good faith effort to settle, without costly and protracted litigation, the legal claim alleged in Paragraph 1 of this Agreement.

3. This Agreement does not constitute in any way an admission of fact or liability by the IWI PRPs.

4. This Agreement does not constitute an admission or acknowledgment on the part of U.S. EPA that any statute of limitations applies to its legal claim, under either the above-cited statute or any other applicable statute or law.

5. U.S. EPA and IWI PRPs agree that the time between August 22, 2006, and January 23, 2008, ("tolling period"), inclusive, will not be included in computing the time limited by any statute of limitations that may apply to the cause of action set forth in paragraph 1, if any statute of limitations is applicable. Nor will this tolling period be considered in any defense of laches or similar defense concerning the timeliness of commencing a civil action. IWI PRPs shall not assert, plead, or raise against the United States in any fashion, whether by answer, motion, or otherwise, any defense based on the running of any statute of limitations during the tolling period. Any applicable statute of limitations shall be tolled and suspended by agreement during and for the tolling period.

By signing this Agreement H.B. Fuller Company does not waive the right to assert a statute of limitations defense or laches or similar defense to any claim for which the applicable statute of limitation has expired as of August 21, 2006.

6. U.S. EPA agrees not to institute the cause of action set forth in Paragraph 1 against IWI PRPs before December 3, 2007. However, if any person files an action against the United States for either declaratory or monetary relief, with regard to

the IWI, Inc. Site, in Summit, Illinois, and the United States must either file this cause of action or lose it, the United States shall have the right to bring this claim against IWI PRPs prior to January 23, 2008.

7. This instrument contains the entire agreement between U.S. EPA and IWI PRPs and no statements, promises, or inducements made by any party or its agent that are not contained in this written contract shall be valid or binding. This contract may not be enlarged, modified, or altered except in writing signed by U.S. EPA and IWI PRPs and endorsed on this Agreement. This Agreement is intended to allow signatories to execute the Agreement on separate signature pages.
